GRANTED

The Ladies Ministry, in conjunction with Genesis Ministries, is collecting baby wipes for our Troops through the month June. GRANTED, a program started in memory of Grant Hinds, wants to ensure that everyone is granted an opportunity to hear the message of Christ. Please help us support this program by bringing packages of baby wipes to the container in the foyer. The wipes will be sent to the troops in July, Grant's birth month.

AIM School Supplies

It's summertime: sun, water....school supplies? That's right! AIM will need our help again this year, so please be on the lookout for pens, notebooks, and erasers while you're out and about. We will have a complete list of things we need in the next few weeks. Thanks in advance for your support of the children.
